The Custom Desk Calendar

Your name and brand on their desk 24/7

50% OFF

50% OFF

The best advertising. The classic gift desk calendar with your branding and messaging in photo-quality full colour.
Keeping your business or product on their mind all day, every day.
Recall and recognition is the objective of branding. You want to be at the top of your clients mind, be the first among equals.

Why not emphasize your message by staying in front of your clients with a branded desk top gift that is both attractive and an essential aid.
Simple and effective, the crystal clear jewel calendar case with a choice of beautiful colour plates is eminently suitable for all desk types and office décor, and very easy to use!
