

Test Drive for FREE - BoxWriter or JuniBox disc duplicator / publisher

- ✓ Fully evaluate at your office
- ✓ 7 days to complete your evaluation
- ✓ Pay only for the shipping
(providing it is returned in original condition)

The BoxWriter and JuniBox products are distributed and supported in Australia by PCX.

We would like to give you the opportunity to find out, first hand, how useful these desktop devices can be for you.

The primary benefit of these automated disc duplicators / publishers are that they can operate unattended, saving you time and allowing you to do more creative tasks. Credibly, the most valuable feature is the capacity to load multiple jobs at once. You can load a master and the number of blank discs for that job, followed by another master and the discs required for that job. You stack a few different jobs at once and it will work through them consecutively.

Interleaved duplication

Test Drive Summary - You pay in full for the equipment prior to PCX shipping it to you. You take particular care with the packaging, and contents of the carton. You need to advise PCX when you wish to return it and obtain an RA number from PCX. You are responsible for the loss or damage to the goods from the time it arrives at your designated delivery address until it is received by PCX. You will be refunded the purchase price, less shipping providing the equipment is received complete and in good condition. Any missing items or damage is at the customer's cost and will be a minimum of 10% of the equipment invoiced price. You need to read, understand, and agree the following conditions prior to proceeding.

This agreement is between PCX Pty Ltd (PCX) and you the Customer as detailed below.

- (1) The JuniBox or BoxWriter (Equipment) is ordered and paid for (including freight) by EFT prior to shipment.
- (2) If the Customer would like to return the equipment you need to request a return authorisation, prior to shipping. The Equipment must be received by PCX in good order within 14 days from the invoice date.
- (3) The Customer is responsible for having the Equipment arrive at PCX and at their cost. Shipping method must include tracking and require a signature upon receipt, and insuring the equipment's transit is strongly recommended.
- (4) After inspecting the returned product and finding it in good order a credit will be issued by PCX to the Customer for the full value of the invoiced amount excluding freight.
- (5) The returned Equipment has to be returned in saleable condition. This means that it must be complete with packaging, cables, manuals etc. Additionally the equipment is not to be damaged and in working condition. Where any of these issues are not fulfilled a minimum of 10% restocking fee will be applicable.
- (6) Refund will be made by EFT within 14 days of the receipt of the Equipment. Where repairs/refurbishment is required this may be delayed by up to 30 days.
- (7) PCX reserves the right to accept or reject at its sole discretion this application for an evaluation of Equipment.
